

## Our passion are Christmas parties in Mera Spa Hotel

*Honey, flour, eggs, a spoon of cinnamon and ginger, pinch of ground cloves...  
- it's enough to fill the air with a wonderful aroma of freshly baked gingerbread.*

*Every year our Chef creates a gingerbread house using these ingredients above!*

*In this atmosphere every christmas party - whether it is large or small - becomes magical. We will take care that this time is remembered as truly special.*
