Membership development in the Danish Business Forum

Out of the total number of SPCC Members the Danish Business Forum has got around 1/3, and is thereby the biggest National Section in SPCC. By the beginning of the year we had 142 members connected to Danish Business Forum. Today 10.12.2009 we have got 135 members. A total loss of 7 members. Facing the challenging year of economic crisis - and the slightly growing number of new members in the second half of the year 2009 - we consider the result of minus 7 as acceptable, and we believe that the year 2010 will end up with an increase in members.

Active Management Board participation in the SPCC activities and events

During the year the Board Members has been very active and participating – first of all in the strategy development and planning activities - secondly active participation in the Danish Business Forum events, and in the general SPCC activities in Warszawa and regional SPCC meetings.

All in all I consider the year 2009 as a successful turning point for the Danish Section of SPCC with ambitious and optimistic view of what results we can achieve in the first full year of operations as Danish Business Forum in 2010.

10.12.2009

Leif Christiansen

Chairman of the Management Board

The report was discussed.

Remarks were noted by the board and the report approved.

2.

The present board – except Ole Jørgensen (who will however assist ad hoc with large events) – stood for re-election. Jacob Jensen and Peter Pulawski volunteered for the board whereas Jan Thomsen and Tommy Wurtz declined the offer to join.

The board is consequently the following:

- Leif Christiansen, chairman
- Lars Ekström, deputy chairman
- Erik Lund, member
- Søren Rodian Olsen, member
- Kasper Holm, member
- Peter Pulawski, member
- Jacob Jensen, member

Furthermore Peter Nielsen will be invited to all meetings and receive correspondence. Peter will be passive partly due to workload as SPCC chairman and partly due to the fact that he as SPCC chairman must be independent.

3.

The SPCC board members stood for re-election as follows:

- Peter Nielsen, re-elected and proposed as SPCC Chairman for the next year.
- Leif Christiansen, re-elected as board member.
- Erik Lund, re-elected as deputy board member.

They were elected unanimously.

4.

The participants were concerned about invitations to events that should be sent out earlier. Also more attention should be paid to the members outside Warszawa/Mazowieckie. May be video transmissions of key events (like the economic forum in november) should be proposed to the members.

There was satisfaction that SPCC is now present in Szczecin as many Danish companies are there.

Tommy Wurtz had had his regional sales managers participate in the regional events and they are very satisfied. However he was concerned that so few people come for the AGM.

He also highlighted his opinion that the Embassy's Business Club should be a cooperator although in between the two organizations compete. SPCC Danish Business Forum should be part of the organizers for "Grundlovsdag" (constitution day) and this one event should be much more Danish in its contents, including, that Danish should be spoken. All other events must of course be in English, but the Grundlovsdag is an exception.

Also, if we should join Grundlovsdag, such irrelevant issues as "The company of the Year" should be removed.

The many mails from SPCC were mentioned over again. The SPCC newsletter should may be have an upgrade.

There was no further business. The chairman of the meeting thanked the present for orderly behavior and constructive discussions and declared the closure of the meeting.

The assembly greeted the sponsors of the meeting Peter Pulawski and Peter Nielsen with a toast.
