Let's meet by the sea at Sheraton Sopot Hotel

Combine business with summer attractions and organize an event in the heart of the pearl of the Polish coast. The unique atmosphere of Sopot will make the participants remember this exceptional meeting for a long time.

Why is it worth organizing an event in the summer?

- All day access to private beach
- Special Spa offer for groups
- Triple Marriott Bonvoy Points
- A voucher for a refreshing drink at the Beach Bar for event participants
- Possibility of organizing an evening cocktail on the patio of our private beach
- Possibility of organizing a lunch inspired by the summer flavors of Kashubia on the terraces of the Spa House overlooking the pier
- Assistance with organizing a cruise around the Bay or yoga with a sea view

Additionally, we can help you diversify your stay with additional attractions, such as:

- Sauna ceremonies
- Concerts of Tibetan bowls and gongs
- KOBIDO, Yoga and Pilates workshops
- Mindfulness sessions
- Drum workshops and handpan concerts
- Wreath-making workshops
- Morning workout on the beach
- A shared bike ride along the beach
