business ^

Develop your company with us

We will welcome your company among SPCC Members and present your business more widely to other companies

We will create your individual company profile in our members' catalogue with linking to your website and facilitate contact with your company

We will enable you to reach experts from many fields as part of our SPCC Expert Support program, and create an opportunity to present yourself as an expert to other members of the Chamber

We will continue to create a positive dialog with local authorities and Polish Government representatives through our B2B activity to support the Scandinavian investors in Poland

We will help you to address your services/products to other companies associated with us through our dedicated tools like Sales Support Newsletter or SPCC Recommends

We will present your activity on our website and LinkedIn profile, reaching thousands of users and try to connect you with others via SPCC Connects Program
