## 16th International Maritime Exhibition and Conference BALTEXPO 2011

6 - 8 September 2011, Olivia Hall, Gdańsk

### Baltexpo Approaches

In September 2011, representatives of the shipbuilding industry, maritime economy, and seaports will meet for the 16th time at Poland's only International Maritime Exhibition and Conference, BALTEXPO 2011. The official opening will take place on 6 September 2011 at 10 a.m. at the Olivia Hall, Gdańsk.

It is proof of Baltexpo's prestige and importance that the event's Honorary Patrons include:

- Waldemar Pawlak, Deputy Prime Minister, Minister of the Economy
- Aleksander Grad, Minister of the Treasury
- the Ministry of Infrastructure
- Roman Zaborowski, Governor of Pomerania Province
- Mieczysław Struk, Marshal of Pomerania Province
- Paweł Adamowicz, Mayor of Gdańsk
- Wojciech Szczurek, Mayor of Gdynia
- the Polish Agency for Enterprise Development (PARP)
- the Polish Information and Foreign Investment Agency (PAIIZ)
- the Forum Okrętowe Association of Polish Maritime Industries
- the Polish International Freight Forwarders Association (PISIL)
- the Polish Chamber of Commerce (KIG)

The event's partners are Stocznia Gdańsk S.A. and CESA (Community of European Shipyards Associations - Brussels)

The topics covered at BALTEXPO 2011 include the following segments of the maritime economy:

- Shipbuilding, ship repairs and overhauls, machinery, equipment
- Ports, infrastructure, services, terminals
- Transport, forwarding, and logistics
- Port and navigation safety and security
- Environmental protection
- Coastal and inland infrastructure
- Wind energy
- Maritime societies
- Services
- Publications

Following the requests and suggestions of the above-mentioned patrons, this year's Baltexpo is being prepared in close cooperation with the Ministry of Infrastructure, the Polish Information and Foreign Investment Agency (PAIIZ), Stocznia Gdańsk S.A., the Maritime Office in Gdynia, the Port of Gdynia Authority, the Port of Gdańsk Authority, the Forum Okrętowe Association of Polish Maritime Industries, the Polish International Freight Forwarders Association, the Polish Chamber of Maritime Commerce, the Polish-German Chamber of Industry and Commerce, the Scandinavian-Polish Chamber of Commerce, the Polish Wind Energy Society in Gdańsk

The support received from the national and local government administration testifies to the fact that Baltexpo in Gdańsk will serve the developing maritime economy efficiently and effectively.

### What's New?

- Apart from the core themes of Baltexpo, namely shipbuilding, ship repairs, outfitting, machinery, equipment, and steel structures, this year's event will focus special attention on port infrastructure, port services, transport, forwarding and logistics, port safety and security, navigation safety, and marine wind energy.

The exhibition will be divided into special thematic sectors, enabling visitors to review the range of products and services presented at the event quickly and efficiently.

- Extensive programme of accompanying events - 46 hours of the Baltexpo Maritime Conference.

To be held for the first time:

\* Conference: Port and Navigation Safety on the Baltic Sea, organized in association with the monthly *Raport - Wojsko Technika Obronność*

\* Conference: Marine Wind Energy and the Offshore Wind Industry, prepared in association with the Polish Wind Energy Society

\* Transport, logistics, and forwarding issues will be discussed at the conference: The Future of Seaport Infrastructure in Poland
